

Debit Card & VISA Card Travel Notification Form

As you are planning your travel, please remember that Best Reward Federal Credit Union employs a fraud monitoring service to combat Debit and Credit Card fraud. If a Debit Card or VISA Card transaction is out of your normal spending habits, you may receive a call asking you if you made the purchase. **If we can not get a hold of you, a temporary block may be placed on your account until we can verify with you the transactions in question; therefore it is important that we have a phone number that we are able to reach you at during your travel.** Please Note: Using your MasterCard DEBIT Card for payment is restricted on car rentals. Please use your VISA Credit Card for car rental transactions. This policy is in place due to liability purposes and for your protection.
