Dear Member,

June 4, 2022

It is with great excitement that I announce that the Board of Directors of Western Region FCU voted unanimously to team up with Best Reward FCU (a federally-insured credit union just like Western Region FCU). Our decision to merge with Best Reward FCU is to better serve you. It will expand the list of member services, loan products, and access available to the membership.

Combining the strength of Western Region FCU with Best Reward FCU will provide members with enhanced features such as real-time transactions, competitive interest rates, three locations for you to conduct transactions in-person or online while maintaining the highest standard of cyber-security.

The Board of Directors of Western Region FCU strongly encourages you to vote YES on the proposed merger. Whether you plan to attend the special meeting or not, we urge you to sign, date, and promptly return the ballot that was mailed on May 31, 2022 to vote on the proposed merger.

I have asked Best Reward FCU to share some information with you about them. I hope you find this information helpful.

Sincerely,

Nancy Paxton  
President of Board of Directors  
Western Region FCU
