Dear Member,

August 8, 2022

We are pleased to announce that a majority of the Western Region FCU membership who voted, approved a merger with Best Reward FCU at the August 4, 2022 Special Meeting.

Earlier this year, the Board of Directors of Western Region FCU voted to team up with Best Reward FCU (a federally-insured credit union just like Western Region FCU) and the majority of the membership concurred. This merger expands the list of member services, loan products, and access available to you.

Combining the strength of Western Region FCU with Best Reward FCU will provide members with enhanced features such as real-time transactions, competitive interest rates, three locations for you to conduct transactions in-person or online; while maintaining the highest standard of cyber-security.

No further action is required on your part. We will keep you posted as things progress. We are excited to bring these enhanced features and benefits to you!

Sincerely,

Nancy Paxton
President of Board of Directors
Western Region FCU
